DETAILED ACTION

Information Disclosure Statement

1. Please note that this Office Action includes a second copy of the IDS submitted 3/8/2004. In the "US PATENT DOCUMENTS" section references A1 (10/335078) and A2 (10/611246) have been crossed through by the Examiner. The examiner has crossed through the citations of the application numbers in favor of citations for the PGPub documents. Attached to this Office Action is a PTO-892 that cites the PGPub documents of the previously cited applications (citations A1 and A2 off of the IDS). Thus, the information contained in the documents has still be considered by the examiner but the PGPub will instead appear on the front of any patent issuing from the instant application.
